This year marked the advent of a system of government entirely new to Arcadia High, yet established for years in Community and National bodies. The unusual success which came about in only one year of trial, was due to the co-operation of almost all the students with the administration.

PRESIDENT

Heading our student government as ASB President, Marty Kardick led us through a successful and productive year.

"...for all, Marty has earned the highest respect from me."

As ASB Vice President, Clint Harwick's chief responsibility was presiding over ICC and the Advisory Board.

A significant revision made in our student government this year was the formation of a House of Representatives. Selected from their first period classes, the members conduct meetings and introduce bills in the same parliamentary procedure as our national government.

LET US LEARN

SENIORS

President—Richard Duncan

As the school year of 1956 draws to an end, we pay tribute to those giving their last, long look to their Alma Mater. Ably led by their competent President, Richard Duncan, the class of 1956 has left a lasting impression and will long be remembered for their unlimited spirit and loyalty. Four years finally completed . . . such wonderful friendship . . . Senior Bench . . . Ditch Day Senior Breakfast . . . Prom . . . and finally, happy, yet regretful preparations for Commencement. So much to remember . . . so much to look forward to.

Senior Officers—Top row, left to right: Trudy Gerry, Recording Secretary; Gene Siva, Treasurer; Linda Schoonmaker, Corresponding Secretary. Bottom row, left to right: Jo Ann Fisk, Historian; Richard Duncan, President; Eleanor Reeve, Vice President.

The year is at an end and the time is rapidly gone. The Seniors have run the course with the spirit of victory. The Juniors must receive the baton, and, in turn, run the difficult course. It is believed by everyone that the class of '56 will carry on with skill and enthusiasm.

LIVE LIS- TEN

School and community life is alike in many ways. Activities in everyday life are important to all individuals. In the following section, the Arcadian salutes many interesting events held on campus this year, and recognizes the many groups which took part in planning and sponsoring these events.
